Re: Letter of support for

Henry Reyna

To Whom It May Concern:

This letter serves as a recommendation regarding the security assessment that Henry Reyna provided to Tri-Star Trust Bank in 2015.

Henry provided a security assessment that was helpful to point out vulnerabilities that we could address to make our staff and clients safe. We found that his security assessment was timely, responsive, and his information was well received.

We implemented many of the safe guards he recommended and feel this has truly provided a safer internal and external environment for clients and staff.

If you have any questions concerning Henry Reyna's security assessment process, please feel free to give me a call at 989-921-0010.

Sincerely,
